

BUILDING ON FAITH

PSALM 127:1

What is this Campaign about?

Our campaign is not about guilt, pressure, manipulation, hidden agendas, or gimmicks. It is a campaign of the heart!

It is about building devoted, mature Christians. Building active stewardship into our lives. Building ministry and outreach. And, yes, building a center for our ministry.

It is about changed lives.

It is about obedience... about our "Yes" response to God's challenge.

It is committing ourselves to the vision that God has set before us.

It is about building stewardship into every area of our lives.

It is grappling with the fact that "I own nothing, but I am to manage everything."

It is about knowing Jesus Christ and making Him known to others.

FAQS

So, what can we expect in this money-raising effort?

Here's what **WILL NOT** happen:

No one will ask you to attend a campaign event and expect you to fill out a commitment card at that moment.

Here's what **WILL** happen:

All of us will be challenged to ask God what He intends for us to give to this endeavor.

How is the Campaign Set into Motion?

Our campaign is set into motion by people on these teams:

The **Spiritual Emphasis Team** provides essential prayer support to make sure that the campaign is a spiritual endeavor.

The **Communications Team** builds awareness and informs. This is the "no surprises" team because they make sure everyone knows what is going on through newsletters, inserts, social media, and other creative ways.

The **Arrangements Team** is responsible to plan facility use and food for various meetings and events during the campaign.

The **Presentations Team** will meet with the congregation in a small group setting. The Presenter will share the vision, explore the details, and explain the answers to questions that you may have.

The **Reminder Team** provides gentle encouragement to attend various campaign functions.

The **Advance Challenge Team** challenges church leaders and others to make pace-setting commitments that provide the early momentum for success.

The **Creative Gifts Team** provides information and confidential counsel to those requesting information on various charitable-giving options.

The Bottom Line

Scriptural stewardship challenges all of us to wisely use our time, abilities, and financial resources. Christ calls us to a life of discipline and one that is committed to Him. The more we focus on Him, the more our lives can be used for His purpose. As our ministry grows, so, too, will our people grow in maturity and in outreach. The campaign will be successful if each person is challenged to grow spiritually.
